Tag 368
DOB: 2015 QR+
Sire: Game On
Dam: R7/Shooter
Bred to: Ante Up (Arms Race x
Young Jock) - marked 9/3

A nice young female with a lifetime ahead of her! She was held over as a ewe lamb and had a set of 120 twins this spring, including a keeper female. Her twin brother was shown by the French family in 2015. We are really excited about the job the Game On females did for us in their first year in work this past spring. Game On daughters raised our half interest buck lamb, Wide Angle and the VA State Fair Grand among other standouts.

Lot 122 - Crossbred Yearling Ewe

Tag 538
DOB: November 2016 QR
Sire: Game On
Dam: Snapshot
Bred to: Cheap Thrills

A nice complete, fall yearling that's ready to go to work. Her dam was a successful show ewe for Sierra McCray. She's big backed, round ribbed, and stems from a very maternal line. Cheap Thrills had an exciting rookie season for us, though majority were all late borns. He sired Olivia McHale's popular natural lamb who was 9th in class at Louisville, Champion Lightweight WV State Fair, and Champion Natural at Keystone. That wether's twin sister was Reserve Middleweight Commercial Ewe at VA State Fair. We're looking forward to his 2018 crop!

Lot 123 - Crossbred Ewe Lamb

Tag 1705
DOB: Early January 2017 QR+
Sire: Impact 120
Dam: Equity
Bred to: Splitter (Chunky Monkey x Wild Game) marked 10/27, then exposed to Cheap Thrills

A moderate, complete female out of 120! She was not excited about getting her picture taken, but feel she has a lot of offer as a breeding piece. Splitter was a 2017 keeper buck, and we are excited about what he brings to the table. Super stout, crazy hard handling, and shapely in his design.

She has been one of the most easy going lambs we have ever had in our barn, easy keeper, easy to catch and a pleasure to work with. Every time out in the show ring she always found herself in the top portion of her class. She has great shag, big hipped and moderate/small framed. She has the genetics to produce: Grizz, Jimmy John, and Mr. June is all in her pedigree.
